SKILLS

- Business & Systems Analysis
- Enterprise System Architecture
- Project Lifecycle Management
- Software Delivery Governance
- Cross-Functional Team Leadership
- System Integration & API Architecture
- MIS Operations & Reporting
- Advanced Data Analysis
- Dashboard Development
- Excel VBA & Macro Automation
- Data Modeling
- SQL Query Optimization
- Big Data Processing & Optimization
- Process Automation & Optimization
- Object-Oriented Programming (OOP)
- Python for Analytics & Automation
- Machine Learning Fundamentals
- AI-Driven Analytical Solutions

large-scale data analytics, optimizing complex data ecosystems to generate strategic market insights, reduce analytical complexity, and drive data-led business growth and operational excellence.

- Business Growth & Development – Strengthens Bird Group's footprint in the aviation sector through strategic marketing initiatives, data insights, and expansion planning.

Process Associate - EXPEDIA GROUP IGT SOLUTIONS, 12/2023 - 07/2024

- Deployed applications into various environments including cloud-based solutions such as Amazon Web Services.
- Proven ability in running operational tasks, optimizing workflow, and ensuring quality compliance within an IT and consulting setup.

- Data Analysis & Reporting – Collected and analyzed student performance data to generate actionable insights and support informed academic decisions.
- Programming Instruction – Conducted regular classes for batches of students, teaching core programming languages such as Python, Java, C++, and SQL.

ACCOMPLISHMENT

- **Certified in Advanced Excel and Data Analysis** from CODING NINJAS
- **Recognition - Letter of Appreciation** from My Captain in **Stock Market and Finance**
- **Certified in Cryptocurrency Trading**, demonstrating expertise in financial markets and digital currencies.

KEY COMPETENCIES

- Bringing good ideas to life.
- Clear and informative written and verbal communication skills.
- Ability to work quickly and efficiently with little supervision.
- Being alert to what is going on in an organization.

DECLARATION

I hereby declare that the information provided above is true and accurate to the best of my knowledge and belief.

EDUCATION

02/2026

MANAV RACHNA INTERNATIONAL INSTITUTE OF RESEARCH AND STUDIES, NEW DELHI, CURRENT

MCA (Specialization in AI &ML):

Information Technology Skilled in Java, Python, and SQL with experience teaching programming to student batches. Strong in software development, database management, and IT solution design.

01/2023

GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY, DWARKA SECTOR-16

BCA: Graduated with a degree in Computer Application, specializing in programming, software development, and computer systems. Proficient in SQL Server, MySQL, Python, Java, C++, JavaScript, PHP, and MATLAB

- GPA: 8.5 CGPA

01/2020

ST. GEORGES SCHOOL ALAKNANDA, NEW DELHI

CBSE All India Senior Secondary Examination

- SUBJECT: COMMERCE WITH IP
- 12TH PERCENTAGE: 85.2%

CERTIFICATIONS

DATA ANALYSIS – IIM CALCUTTA
– Completed certification in data analysis, Excel, and decision-making. Gained strong analytical skills for extracting insights and solving complex problems.

AWS COMPUTE SERVICES

OVERVIEW & AMAZON BEDROCK

–Fully managed service for building generative AI apps with top foundation models. Focus on scalability, privacy, and security. Includes tutorials with hands-on AWS chatbot integration.
